

MUSIC FOR CHILDREN

TUESDAYS From 3.40

at
Community Music Junction
Level 1, 4 Hopper St,
(above Blairwright) Te Aro

TWO PROGRAMMES

Children's singing sessions with Lala Simpson. Inspired by the Kodaly method music education which puts feeling the music in your body as an important part of music learning. Vocal warm-ups, musicianship (learning the skills to be a musician) and singing. The children will learn through games, rhymes, songs from around the world, percussion instruments, stories, body percussion, dance and movement in a fun, supportive and inclusive environment.

Julian will teach the older children (7 and over) how to play in an ensemble with our special African marimbas. Learning marimba will help children with pitch, rhythm and especially their co-ordination skills, and playing this lively music together in a group is tremendous fun.

THE MUSIC TUTORS

Lala Simpson & Julian Raphael
